A Nothing Ventured Travel Experience

Stay: Sunborn London Yacht Hotel

Vibe: Modern Nautical Luxury & Urban Glow

Theme: "Light Up the Gloom"

SUZI'S TIPS: SATURDAY NIGHT LOGISTICS

- **Winter Lights Map:** Access the official interactive map and full brochure at canarywharf.com/winter-lights. Download it before you go as the estate can get busy, making signal patchy!
- **The Last Uber Boat:** On Saturday nights, the RBI service from Canary Wharf Pier toward Royal Wharf/North Greenwich typically has its last eastbound departures around **9:45 PM – 10:15 PM**. Check the live "**Thames Clippers**" app for real-time updates as you eat.
- **DLR Saturday Schedule:** If you miss the boat, the DLR is your reliable backup. The last trains from Canary Wharf toward Royal Victoria (via Poplar) **run until approximately 12:30 AM**
- **The "Crowd" Strategy:** Saturdays are the busiest nights for the festival. For the best photos of the installations without crowds, aim for the **final hour between 9:00 PM and 10:00 PM**.
